Type of school: Voluntary Aided Age range: 4-11years
Gender: Mixed No. on Role: 188 (approx.)

School Mission Statement

“Anyone who welcomes this child in my name welcomes me” Luke 9 v 47

All in our school are special and unique.

We welcome every one into our community.

We value and respect one another's gifts for the contribution they make to our daily lives.
In all we do, we give thanks to God for his blessings and ask that with His grace, we can work together to fulfil every child's spiritual, social and academic potential.

“By this love you have for one another, everyone will know you are my followers” John 13 v 35

“A key strength is the behaviour & attitudes of the pupils, which are good & sometimes excellent. Pupils' personal development and well being are good. Parents strongly support the school & recognise its strengths. Many comment on how happy their children are at school. Pupils' spiritual, moral & social development is excellent.” (Ofsted Report Nov. 2006.)

Awards: “Active Mark 2006” awarded for exceptional delivery within the national school sports strategy.

“RIBA Award” 2005 winner in the public buildings category

All are Welcome.
